HOME GREEN TERMS WEB EMAIL

We started our journey 14 years ago and since then have grown to become a one-window operation for apparel and textile sourcing. We provide a seamless, tailored experience for each client, and handle every aspect of the supply chain ranging from research and development of products to quality assurance. Our end products range from bedding and home goods to workwear and the latest in fashion.

After a 2019, It's been a year that has fundamentally challenged long established certainties about what we think is safe and what we believe is healthy in all areas of our lives.

We Spirit Clothing continued working to make our workplaces safer, healthier and more sustainable for the benefit of the whole society. Our Manufacturing Units are fully protected with all health & Safety hazards and compliances with local & International Certification bodies and Scaling up our sustainability and social impact, we are collaborating with the very best in the world.

In 2020, Spirit Clothing become a Member of the World leading ethical trade membership organization, SEDEX (Supplier Ethical Data Exchange) and working to improve working condition in global supply chain.

Clothing is an integral part of our lives and green or environmental concerns have started to draw more and more attention in the textile and clothing sector. We will never stop here and In future will be part of below program in order to point out important points and parameters for greening the Textile industry.

Join the Green Side.
